RECYCLED NEWSPAPERS

Raise thousands of dollars in your community with the most reliable fundraiser there is. Not only are you raising money, you're doing something good for the environment at the same time. This is fundraising with a purpose:

*Saving trees...one pencil at a time..*

#### How to sell Pre-Scented Smencils:

- Each club members gets 10 Smencils (Bubble Gum, Watermelon, Cherry, Popcorn, Grape, Cotton Candy, Chocolate, Watermelon, Orange, Very Berry, and Root Beer) to take home and sell to their friends and family.
- You sell the Smencils for \$1.
- Unlike candy bar sales, where a person usually buys one bar, you will quickly see that since there are ten different scents to choose from, it is very rare for someone to only buy one. Most people buy several Smencils. That's why the Smencils fundraiser goes so quickly.
- There are 10 buckets of 50 per case.

#### How we make Pre-Scented Smencils:

- We roll sheets of newspaper tightly around the #2 graphite writing cores until the pencils of typical thickness are formed.
- Then they're hardened - allowing them to be sharpened just like wood pencils.
- Next, we soak them with our gourmet liquid scents (made by an award winning fragrance company).
- Once they're dry, we attach the erasers and apply the stickers around them that identify which scent was infused into each Smencil.
- Lastly, we put each one into its own Freshness Tube.

We guarantee Smencils will maintain their scent for 2 years - in or out of their Freshness Tubes
